Dear Allen:

Your brother told me the other night that you are back in this country and I just wanted to report, in line with my promise, that I am back as well.

If I am next in Washington I will let you know in good time and if your way takes you to New York I shall be glad to come any time anywhere if you might find this convenient.

Hoping to see you soon and kindest regards,

Yours as ever,

ERIC M. WARBURG
